

Palatable Risk Placement for your Winery Clients

At Freeman McMurrick, we've made insuring wineries and vineyards easier for our brokers. We obtain industry specific coverage so you can provide the full winery insurance solution to your client. Our package features innovative and exclusive tailored wordings that includes coverage for spoilage, leakage and contamination.

Whether your client is a small family-run operation or a large-scale production facility, perhaps there is an onsite restaurant, cellar door and tasting services, or your clients are involved with international export or sell exclusively to the local market - we've negotiated on your behalf and packaged over ten separate covers into the one easy-to-access wineries policy. Our protection options allow you to choose and recommend the key covers that relate to your client's business.

Key benefits

Industry Specific coverage for:

Spoilage of Wine Stock

Leakage and contamination of wine stock

Valuation of wine stock to agreed value including vintage & museum wines

Cellar door and restaurant public liability

Product liability include exports to USA & Canada

Ability to package Motor and Domestic insurance with key wineries specific cover

Our global network and expertise allows us to deliver responsive and innovative risk solutions so you can focus on growing your business.

Competitive terms.

We combine competitive premiums with tailored policy wordings to provide smarter insurance solutions.

A committed partner.

We are dedicated to meeting the broking professions' needs and committed to building worthwhile relationships.

Insurer market security.

This exclusive facility is formed in conjunction with QBE. A strong and reliable presence in the Australian agricultural community, their service and capital will provide you and your client with the protection you need.
